**RE: SES and Intelsat Notice of *Ex Parte* Presentation
GN Docket No. 17-183**

Dear Ms. Dortch:

On March 23, 2018, representatives of SES, Intelsat, and Intel (the “Parties”) met with Rachael Bender, Legal Advisor to Chairman Pai, regarding the above-referenced proceeding. Participants in the meeting on behalf of SES were Gerald Oberst, President of SES Americom, Inc. and the undersigned, outside counsel to SES; Christophe De Hauwer, SES Chief Strategy and Development Officer; John Purvis, SES Chief Legal Officer; and Kimberly Baum, SES Americom Vice President for Spectrum Management and Development Americas, participated by phone. Participants in the meeting on behalf of Intelsat were Susan Crandall, Associate General Counsel of Intelsat Corporation; and Gregg Elias and Jennifer Hindin, Wiley Rein LLP, outside counsel to Intelsat. Peter K. Pitsch, Associate General Counsel of Intel Corporation, participated on behalf of Intel.

The Parties discussed their joint market-based proposal to enable terrestrial mobile operations in the 3.7-4.2 GHz band while also protecting critical incumbent satellite operations. The Parties also noted their ongoing outreach efforts to customers and other interested parties in the proceeding, and discussed process and timing for a Notice of Proposed Rulemaking incorporating the proposal.

This notice is filed pursuant to FCC Rule 1.1206; please contact the undersigned with any questions regarding this matter.

Respectfully submitted,

Michele C. Farquhar
